 > Attached is a 70 page document which includes:  
 >  
 > A. A revised and expanded draft annotated outline for the "Economics"  
 > component of the Bristol Bay fisheries study  
 >  
 > B. Five appendixes with draft text from earlier studies, which we  
 > would propose to incorporate, update and expand for different parts of  
 > the study.  
 >  
 > The second page of the document is a table of contents which will help  
 > you find your way around.  
 >  
 > In the outline, I've highlighted a few places in YELLOW where John and  
 > Toby should add a little bit of outlining if you have time.  
 >  
 > If you have time to do this before the end of the day, that's great

 >  
 > If you don't have time to do this, that's OK--I'll just send this
